

**An invitation to
Rundle's Mission Society
Annual General Meeting**

Thursday May 27th 2021 @ 7:00 pm by ZOOM

Join in on this to receive summary information about the 2020 year and make plans for the future. If you would like to join in, please contact Rundle's Mission and we will notify you of the details. The agenda and year-end financial statement will be emailed to you, along with the ZOOM meeting information.

We are looking for program ideas as well as to increase our general membership, so please give this some thought and again encourage your family, friends, and neighbours to join our society so this important part of the history of Pigeon Lake can continue to operate and contribute to our community.

Rundle's Mission Society has had to cancel or adjust all of their activities due to the current health situation but continues to be a place where people can meet and enjoy the history and natural setting. Last June we held our Indigenous Day and Teepee Raising event in a simple modified way with only board members and a few guests participating. Rundle's Mission Retreat Centre reopened briefly last summer but then needed to close again. The popular annual Harvest Supper was cancelled last fall but we are looking forward to hosting more events and programs in the future. The ski trails were popular in the winter and many people are enjoying our grounds and trails for walking and being outdoors.

Please email us with your interest in joining our Zoom annual meeting or your suggestions, questions or comments.
